SANTEE SIOUX RESERVATION

• KNOX COUNTY, NEBRASKA •

This is a great way to experience the transformative power of a mission trip that is both impactful and affordable! This unique opportunity allows you to engage deeply with a vibrant culture without the barrier of a new language. Discover God's profound love for Native Americans as you reach out to children who may have never felt His warmth before. Life on an Indian Reservation is a stark contrast to the typical American experience, and your presence can make a significant difference.

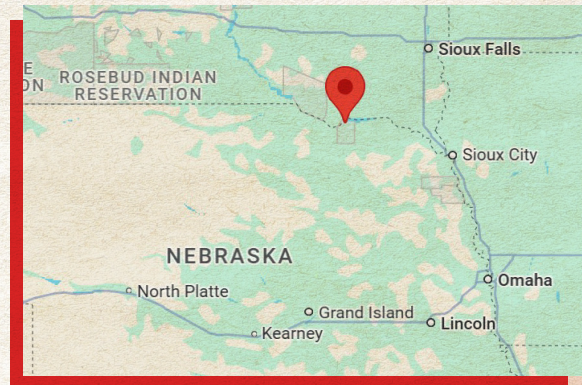

Step forward and say "YES" to God! This is your chance to share the Gospel through an engaging week-long Vacation Bible School (VBS), meaningful community outreach, hands-on service projects, fun games, and compassionate door-to-door prayer. You'll forge deep, lasting relationships and embody the love of Christ by serving others, just as He served us. Don't miss out on this opportunity to make an eternal impact! Mission trip where you get to experience another culture without learning a new language. While being able to see God's heart for the Native Americans, you will have the opportunity to pour out the love of God on children who have never experienced it before. Although they might be our neighbors, life on an Indian Reservation is much different than what most Americans are used to.
